

Alternate 10-7 Locations When VT Closes During Breaks

We do not want to use all of these locations for every-day 10-7's, due to traffic and scheduling concerns.

VT locks all or most of their facilities when they are closed, especially during the week between Christmas and New Year's. This can also occur during BT Late Night service.

Suggested Alternate 10-7 locations when Campus buildings are closed:

The following are not normally approved 10-7 locations:

ToB Municipal Building pull-off.

Hethwood Market.

BP/Blimpie on Prices Fork Road (Plantation Road/Retreat pull-off outbound.)

LG-MRH

These approved locations may be utilized at any time, near route Bus Stops/Time Checks:

7-11 on Patrick Henry just before Main Street

7-11 or Speedway on Toms Creek Road
